

## Nintendo Switch Game Analysis:

- A. Name of the game:

Splatoon 2

- B. Write down a summary of what the game is about:

This game is a 4 vs 4 battle game where you control a squid who has evolved after the world was flooded and all humans died off and rubble started to emerge that the evolved squids called Inklings started living on.

- C. Describe what the player does in the game:

In this game you enter into one of the four ranked game modes, turf war mode or the campaign. After completing a round you will receive gold which can be used to buy weapons and clothing to give you an edge in battle and experience and when you get enough experience you will level up unlocking more weapons and cloths.

- D. If the game includes some kind of exploration activity describe how this is done:

In this game if you enter into the campaign you will have to complete a set amount of levels and a boss level to move on to the next area.

- E. If the game includes some kind of puzzle solving describe how the player solves puzzles:

In the campaign mode you have to find keys and use this game's unique inking system to get to other areas and find enemy's weak spots to kill them.

- F. If the game includes some kind of combat describe how the combat system works:

In this game you enter a round where two teams of four people with different weapons shoot ink of their teams' color at opponents and on the battle field. When your character is standing on your color ink you can swim through it to make you faster and hidden from the opposing team. If you cover a wall in your ink you can even swim up walls. If you come in contact with the opponents' color ink you will be slowed and take damage. To replenish your supply of ink you can swim in your teams' ink.

- G. If you can play this game with other players describe how multiple people can play the game at the same time:

If you want to play with your friends you can create a private lobby or play with your friends against other people.

- H. Was this a fun game to play? Why or why not.

This game was extremely fun to play and is defiantly worth getting.

- I. If you think that the game could be better, explain how you think it could be better:

N/A
