

DS3 Game Analysis:

A. Name of the game:

Mario Kart 7

B. Write down a summary of what the game is about:

This game is all about racing other players or NPCs as a variety of Nintendo characters while using power-ups to help you or hurt your enemies.

C. Describe what the player does in the game:

You race through the beautiful levels and you fly over canyons and gorges with your Han glider and dive into the water with a propeller powered car.

D. If the game includes some kind of exploration activity describe how this is done:

This game includes many levels that you unlock by winning trophies in previous races

E. If the gam includes some kind of puzzle solving describe how the player solves puzzles:

N/A

F. If the game includes some kind of combat describe how the combat system works:

Combat in this game is limited to throwing shells at other characters or after receiving a power-up, by hitting them with your tail at close range.

G. If you can play this game with other players describe how multiple people can play the game at the same time:

Multiplayer mode allows you to play with other people and test your skills against real people by connecting locally or worldwide.

H. Was this a fun game to play? Why or why not.

I really enjoyed this game and all it had to offer including the kart customization allowing you to make your kart totally unique.

I. If you think that the game could be better, explain how you think it could be better:

I wish there was more content to explore like maybe some sort of survival mode.

J. If you had problems when playing the game, what were the problems:

The game was great but it took about 7 minutes to connect to people online.
