

DS3 Game Analysis:

A. Name of the game:

Pokémon Ultra Sun

B. Write down a summary of what the game is about:

This game is about a 11-year-old player who just moved to the Alola region is out exploring when a wild Pokémon attacks. Luckily three friendly Pokémon scare it off. The player then chooses one of the three to come with him on a journey while completing trials work his way to becoming the Alola region's first champion.

C. Describe what the player does in the game:

The player catches Pokémon and levels them up by fighting trainers and wild Pokémon while exploring the Alola region and progressing the story. An evil group of trainers called Team Skull tries to stop you and take your Pokémon as you go. One you are strong enough you can participate in a trial in which you complete tasks given to you by the Trial Captain in order to summon the Totem Pokémon. The Totem Pokémon is a larger and more powerful Pokémon who can summon allies to help defeat you. After defeating the Totem Pokémon, you have completed the trial. Once you complete all the trials on one island you battle the Kahuna, a powerful trainer who specializes in one type of Pokémon. Then you can go to the next island.

D. If the game includes some kind of exploration activity describe how this is done:

In this Game you explore 4 different islands. On each island there are many cities and towns. To get to the different towns you traverse across different routes and battle trainers on the way. You can also find different Pokémon on each route.

E. If the game includes some kind of puzzle solving describe how the player solves puzzles:

This game includes many different kinds of puzzles from teleporting around and trying to get the right sequence to trying to align Pokémon to charge a machine. Puzzles are usually solved by stepping on teleporters or pressing buttons.

F. If the game includes some kind of combat describe how the combat system works:

Combat in this game is a turn based system where both Pokémon use preselected moves to attack the enemy or help you. Each Pokémon has 4 moves that each have a certain amount of uses and different amounts of power. The Pokémon with the higher speed stat goes first and uses the attack it selected. Each Pokémon has one or two typings that each have weakness and resistances. Each Pokémon has S.T.A.B attacks, same type attack bonus, making attacks that are the same type as the user will do more damage.

- G. If you can play this game with other players describe how multiple people can play the game at the same time:

To play with other people you can go to festival plaza and trade Pokémon with other people or battle them with your Pokémon

- H. Was this a fun game to play? Why or why not.

This game was very fun. I loved the storyline and how even though it was just a different version of the original sun and moon games there was more stuff to do and even a chapter 2 after the main story line.

- I. If you think that the game could be better, explain how you think it could be better:

It was great but I wish your Pokémon would follow you as you walked around.

- J. If you had problems when playing the game, what were the problems:
