3. Textbook Requirements

All students are required to purchase a copy of Essentials of Geology, 3rd Edition, by Marshak, 2009). There is also a workbook that comes with textbook that will be used for some of the course assignments that you will need. The workbook is entitle Geotours Workbook for Essentials of Geology, Third Edition

This book is available at the College bookstore and other textbook retailers. This book is packaged with an online learning center (http://www.wwnorton.com/college/geo/egeo3/) that we will use throughout the course. That means you must purchase your own textbook.

An e-book is also available form the publisher at the following website: http://www.nortonebooks.com/welcome.asp

Essentials of Geology textbook and Geotours Workbook looks like this:

You may find this book online wherever textbooks are sold.
Now we realize that some of you will want to skimp on buying books. But face it; you are only skimping yourself and your education. Please do not attempt this course without the book.
